Introduction

Beagle Hardware is a division of Beagle Software specializing in the sales and service of Epson Point of Sale (POS) printers and accessories. We sell a variety of both new and fully refurbished Epson printers with a several available interfaces. Our refurbished printers carry a 90-day warranty. We also offer a large selection of accessories including ribbons, cables, power supplies, and thermal paper. Beagle Hardware will also purchase your surplus Epson POS printers.

Beagle Software was founded in 1997 and is an industry leader in the computer timekeeping field. We offer a variety of software packages for keeping accurate atomic time for both single computers as well as networks, with or without Internet access. We also offer a time stamp package utilizing the Epson TM-295 printer for accurate, traceable time stamping.

Our office is located in downtown Minneapolis, Minnesota in the historic Warehouse District.

Please visit www.beaglehardware.com or call 877-845-2549 for the latest availability and pricing information on our printer models and accessories.

Epson TM-T88III

The Epson TM-T88III thermal printer is widely used in the high-volume retail and hospitality environments that require fast and quiet receipt printing with few consumables. With a Mean Cycle Between Failure (MCBF) of 52 million lines, the TM-T88III delivers outstanding reliability.

- **Fast thermal print speed, up to 5.9 inches/sec. - 25% faster than the TM-T88II**
- **Easy drop-in paper loading with tear-bar or autocutter**
- **Ease-of-use features including Auto Status Back (ASB) messages**
- **High-resolution graphics printing with no processing delay**

TM-T88III Parallel / Serial Interface - New	\$329.95
TM-T88III Parallel / Serial Interface - Refurbished	\$169.95

Other Interfaces available at increased list price.

Epson TM-U220

Epson's TM-U220 impact printers are compact, reliable and optimized for high-speed throughput. They offer all the easy-to-use features important to the retail, restaurant and hospitality industries and two-color printing to highlight special offers, kitchen orders and impactful logos.

- **Easy to operate**
- **Drop-in paper loading**
- **Two-color black and red receipt and order printing**
- **Right-side-up printing for kitchen orders**
- **Flexible paper widths**

TM-U220A Parallel / Serial Interface - New	\$289.95
TM-U220A Parallel / Serial Interface - Refurbished	\$149.95

Other Interfaces available at increased list price.

Epson TM-U290

The Epson TM-290 is the predecessor to the widely deployed Epson TM-U295.

The Epson 290 is not POS compliant. It does accept in-line commands (escape sequences).

- **Dot Matrix Printing**
- **3-Ply Printing Capability**
- **Small footprint**

TM-U290 II Serial Interface - Refurbished	\$139.95
PS-110 Power Supply for 290 type II - Refurbished	\$24.95

Epson TM-U295

The Epson TM-U295 is one of the world's smallest Point of Sale printers, weighing just 3.5lbs! With an estimated printer life of over 1.5 million characters, these printers are built to last.

- **High Speed Dot Matrix Printing**
- **3-Ply Printing Capability**
- **Flat Bed Slip Printer**
- **Compact Design**
- **Heavy Duty**

TM-U295 Parallel / Serial Interface - New	\$319.95
TM-U295 Parallel / Serial Interface - Refurbished	\$169.95

Epson TM-U375

The TM-U375 is a compact, multifunction printer that offers 40 column receipt/journal printing, up to 15 lines check/charge validation printing, and unlimited lines of slip printing. Get receipt, slip, and validation printing all in one small, space-saving package. The TM-U375 makes the most efficient use of limited space, and also boasts excellent paper handling.

- **Optimized features and small footprint perfect for busy counters**
- **Easy paper loading**
- **High-speed logic-seeking print head**
- **OPOS compliant**
- **Proven high reliability**

TM-U375 Parallel / Serial Interface - New	\$499.95
TM-U375 Parallel / Serial Interface - Refurbished	\$249.95

We buy Printers

Beagle Hardware will purchase your surplus Epson Point of Sale printers and equipment. Our main interest is in models listed in this catalog, but other items may be considered.

Purchasing price varies greatly depending on condition and quantity of units.

Please contact a representative at 877-845-2549 or via e-mail at orders@beaglehardware.com for more information or if you have equipment you may be interested in selling.

Service & Repairs

We repair and service several models of Epson POS printers, including the TM-290, TM-295, and TM-220. Limited service on other models is also available. Our repair is flat rate: this includes refurbished parts, labor, and a full printer cleaning and calibration. We typically find that if a printer is not functioning correctly, it is need of some parts as well as calibrating.

We offer the highest quality service, and guarantee all of our work for 90 days.

Our technicians are usually able to repair printers the same day they arrive, and return shipments can be made via overnight shipping.

Flat rate service charges (TM-U295):

Unit won't turn on, doesn't print or prints incorrectly	\$100
Unit does not release paper	\$70
Clean and Calibrate only	\$40
Other	Call for Estimate

When sending printers for service, please include:

- **Company Name**
- **Contact Person**
- **Address including E-mail Address**
- **Phone Number**
- **Description of problem**

Units sent for service should be addressed to:

**Beagle Software
